NEW VISION SCHOOL

WEEKLY NEWSLETTER

GRADES 1-5 | GRADE 2 — WEEK 8

THIS WEEK AT NVS (SUBJECT HIGHLIGHTS)

• **English:**

Students practised reading and following instructions, writing simple sentences, and arranging numbered instructions in the correct order. They also learned to identify instructions for an experiment and answer questions based on the given text.

• **Mathematics**: Students identified, described, sorted, and sketched 2D shapes. They also identified 2D shapes in familiar objects and explored their properties, such as sides and corners. They have made 2D shapes using clay.

• **Science:** Students investigated different solids to identify which dissolve and which do not dissolve in water. They observed the changes when solids were mixed with water and compared their dissolving properties.

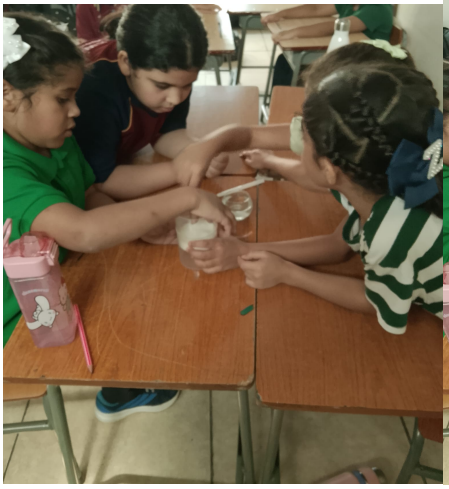

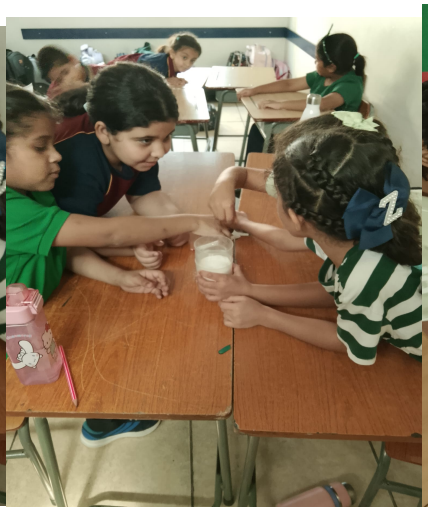

• **Arabic:** Students continued building foundational language skills through engaging exercises, reading practice, and vocabulary enrichment.

Grade 2 students visited **Al Jasra Handicraft Centre** to learn about traditional Bahraini crafts. They observed skilled artisans making handmade products and explored different handicrafts. The students enjoyed the visit and learned about Bahrain's culture and heritage, It was a fun and educational experience for everyone.
