Students Outdoor Learning Activities

Students participated enthusiastically in the field trip to the fish aquarium at Marassi Mall on Wednesday 28th October. They had a wonderful time exploring the aquarium and observing the fascinating marine life. On Thursday 29th October, they enjoyed planting plants and taking part in the walkathon relay. Both days were filled with fun, learning, and exciting experiences that made the students happy and engaged!

STUDENTS ACHIEVEMENTS

Students showed good progress in all subjects. In Science, they studied how energy transfer happens and how this process is related to our daily life. In Mathematics, they learned Addition and subtraction of 3-digit numbers which developed their counting skills. In English, they practiced fiction and nonfiction. In Arabic, students revised demonstrative pronouns which improved their ability to understand and express grammatical ideas in Arabic language. Overall, the students participated actively and demonstrated good understanding of the topics covered.

UPCOMING EVENTS

Importance of Hand's on activity

Hands on activities help students learn their lessons in a meaningful, practical, and enjoyable way. They encourage active participation, creativity, and curiosity while helping students understand concepts through real-life experiences. These activities make learning more engaging, memorable, and fun!
