WEEKLY NEWSLETTER

GRADE: 4
WEEK : 9

THIS WEEK AT NVS

Mathematics: Generalising with odd and even number

English: Joining sentences

Science: States and properties of the matter

Arabic: • القواعد النحوية - تقسيم االسم إلى مفرد وجمع

STAR OF THE WEEK

English	4A: Ameer Mohammed 4B: Adam Salman 4C: Hussain Mohamed
Mathematics	4A: Ali Mohamed 4B: Aalaa Aqeel 4C: Sami Hasan
Science	4A: Fatima Mohammed 4B: Yasmin Adel 4C: Ali Redha
Arabic	4A: Zeena Ismail 4B: Mariam Ebrahim 4C: Ruqaya Ali

Learning Beyond the Classroom

Encourage your child to identify odd and even numbers, practice joining sentences, explore high- and low-pitched sounds, and recognize singular and plural nouns in Arabic through everyday activities.

Educational Trip to Marassi Galleria Aquarium

Grade 4 students enjoyed an educational trip to the aquarium at Marassi Galleria. They explored diverse marine life, observed different aquatic animals, and learned about their habitats and adaptations. The trip provided an engaging, hands-on learning experience that connected classroom science concepts with the real world

Upcoming event:

Spelling test on Tuesday:(3/11/2026)

STUDENTS ACHIEVEMENTS

Students explored new concepts and developed their skills across all subjects.

Mathematics: Students learned to generalize patterns using odd and even numbers. They identified number patterns and applied their understanding to classify and predict numbers.

English: Students learned to join sentences using appropriate conjunctions. They practiced combining simple sentences to make their writing clearer and more meaningful.

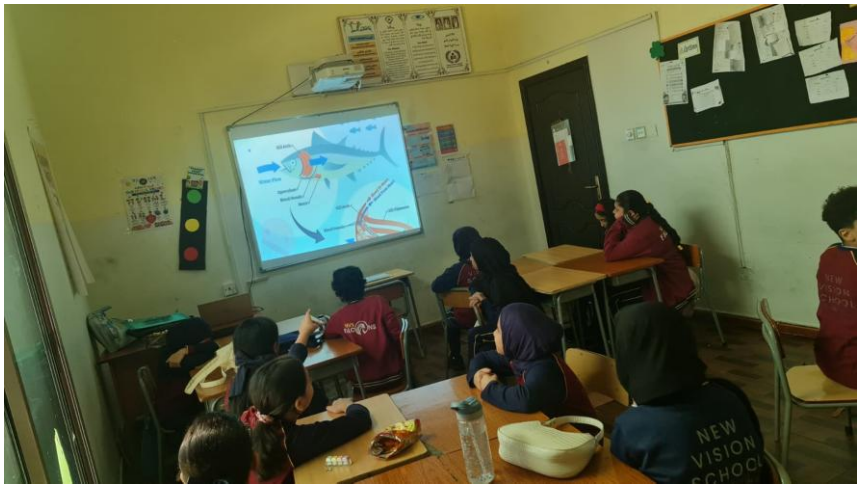

Science: Students explored how the pitch of sound can be changed. They investigated how different vibrations produce high- and low-pitched sounds and identified examples from everyday life

Overall, students developed their mathematical reasoning, language skills, and scientific understanding through the topics studied.

Educational Trip to Marassi Galleria Aquarium:

Pre-Trip Preparation:

Before the trip, the Science teacher introduced students to different fish species, their characteristics, habitats, and marine diversity, preparing them for real-life observations at the aquarium

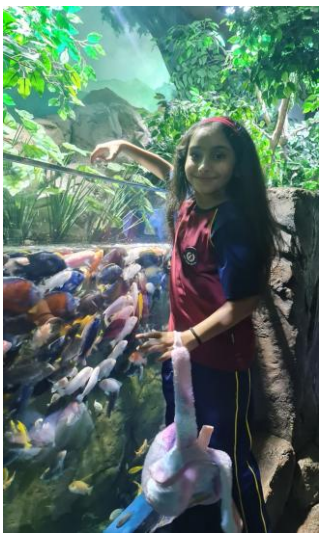

Activities and Learning Experiences:

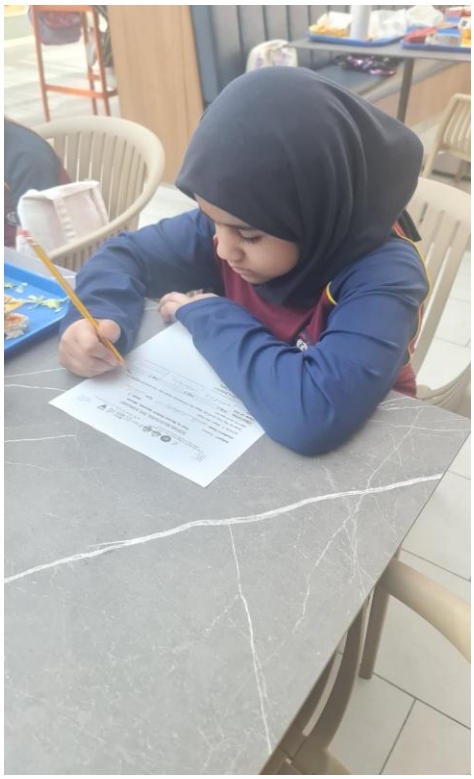

Post-Trip Activities:

English's peer Work

Approved by: Dr. Mahmoud Ezzat (School Principal)

Supervised by: Ms. Mariam Gulraiz (Vice Principal)

Prepared by: Ms. Alyina Nabeel
