Weekly NewsLetter

Grade : 5

Week : 10

THIS WEEK AT NVS

❖ English:

Grade 5 students explored reading comprehension, personal pronouns, possessive pronouns, and possessive adjectives through engaging activities and discussions. The session enhanced their reading, grammar, and communication skills, helping them understand texts, use pronouns correctly, show ownership accurately, and express their ideas with greater confidence and clarity.

❖ Mathematics:

Grade 5 students explored the addition and subtraction of decimal numbers through engaging activities and discussions. The session encouraged them to develop accuracy in calculations, strengthen their understanding of place value, apply problem-solving and critical thinking skills, and recognize how decimal operations are used in everyday situations such as money, measurements, and real-life decision-making.

❖ Science:

Grade 5 A students conducted a hands-on science experiment to investigate how water temperature affects the rate of dissolving. They observed the dissolving process in water at different temperatures and carefully measured and recorded the time taken for the substance to dissolve. Through this experiment, students discovered that substances dissolve faster in hot water than in cold water.

★ STAR OF THE WEEK

English	**1.Abdulrahman Salman (5A)** **2.Abdulaziz Hussain(5B)** **3.Saud Haitham (5C)**
Math	**1.Kamilia Errijaoui (5A)** **2.Layal Mohammed (5B)** **3.Tamim Salman (5C)**
Science	**1.Mohammed Ahmed (5A)** **2. Ola Jamil (5B)** **3. Malika Mohamed (5C)**
Arabic	**1.Mahdi Jaffar (5A)** **2.Nooh Ali (5B)** **3.Ruqaya Abbas(5C)**
