GRADE 6
WEEK 10

THIS WEEK AT NVS

ENGLISH

Grade 6 students enthusiastically participated in the first round of the Spelling Bee Competition, showcasing their spelling skills, vocabulary, and confidence. It was an exciting celebration of learning and friendly competition! Our young spellers impressed everyone with their determination and enthusiasm!

MATHEMATICS

Grade 6 students embarked on an exciting treasure hunt, solving math challenges and following clues to discover hidden treasures. This engaging activity strengthened their problem-solving, critical thinking, and teamwork skills while making learning fun!

SCIENCE

Students explored different learning stations to investigate the processes and effects of the water cycle. Through teamwork and critical thinking, they analyzed real-life situations and strengthened their understanding of evaporation, condensation, precipitation, and collection.

ARABIC

Students proudly showcased their creativity and love for the Arabic language through an inspiring play. Their engaging performances highlighted the importance of determination, perseverance, and self-confidence in achieving excellence. The play delivered a powerful message that success begins with confidence, hard work, and a passion for learning!
