NEW VISION SCHOOL
29 OCTOBER 2026

THIS WEEK AT NVS

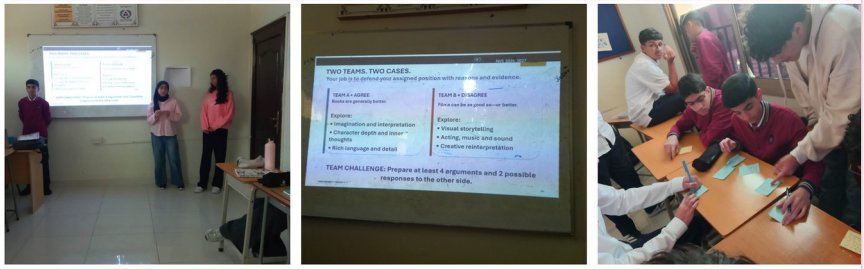

Grade 9 students continued active, student-centred learning across English, Science and Biology. In English, students created storyboards for Act 1, Scene 3 of The Merchant of Venice and practised their Term 1 project debate on the motion 'Books are better than their film adaptations.' They also investigated Hooke's Law through practical measurement and explored Breathing and Gas Exchange in a young-teacher Biology session. School-wide highlights include the Breast Cancer Awareness fun sale and seminar and the NVS Reward Points System.

LEARNING IN ACTION

STORYBOARD ACTIVITY - THE MERCHANT OF VENICE

TERM 1 DEBATE PRACTICE - BOOKS vs FILM ADAPTATIONS

ENGLISH HIGHLIGHT

The Merchant of Venice - Storyboard Task

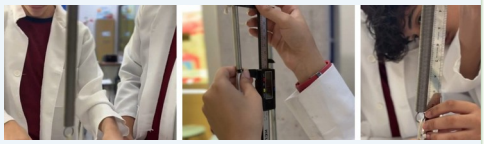

Students mapped Act 1, Scene 3 by sequencing key events and combining short written summaries with visual symbols and illustrations.

Term 1 Project - Debate Practice

Students participated in a debate practice on the motion, 'Books are better than their film adaptations.' Working in opposing teams, they prepared arguments, evidence and responses to defend their assigned viewpoints.

- Critical thinking and reasoning
- Speaking and listening skills
- Teamwork and collaboration
- Using evidence to support arguments

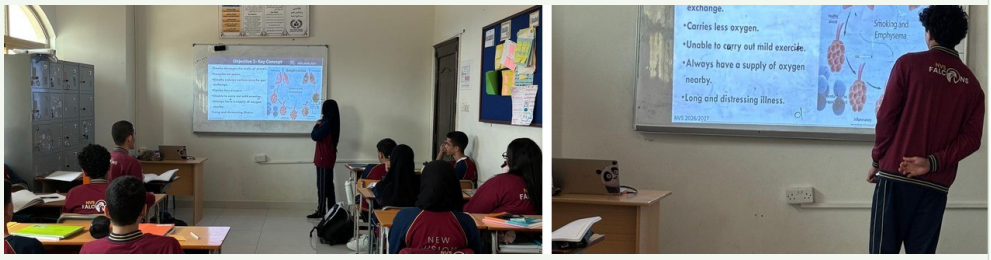

SCIENCE LAB - HOOKE'S LAW

Students measured spring extension, linking theory with practical experimental and measurement skills.

BIOLOGY - BREATHING AND GAS EXCHANGE

Young Teacher in Action

Our young teacher led an engaging session on the breathing process, the respiratory system, and oxygen-carbon dioxide exchange in the lungs. Clear explanations and visual aids strengthened students' scientific understanding.

Approved by: Dr. Mahmoud Ezzat - Principal | Supervised by: Ms. Mariam Gulraiz - Vice Principal
Facilitated by: Ms. Mehwish Riaz - Commerce Teacher

PINK OCTOBER - TODAY

New Vision School continues Breast Cancer Awareness Month with a fun sale and awareness seminar today, promoting health awareness, early detection, community support and hope.

NVS REWARD POINTS SYSTEM

A new school-wide initiative to make every positive effort count.

Students can earn points for positive behaviour, active participation, academic excellence, kindness and respect. The system builds motivation and ownership while students work towards rewards from the NVS Gift Shop.

- Positive behaviour and participation
- Academic excellence
- Kindness, respect and motivation

UPCOMING: IGCSE PARENT ORIENTATION 2026

IGCSE PARENT ORIENTATION PROGRAMME

Wednesday, 4 November 2026 | 8:00 AM - 8:45 AM | NVS Multipurpose Hall

Parents are invited to learn about the IGCSE programme, subject selection, assessment structure, study expectations, academic support and parent-school partnership.

Session highlights:

- IGCSE overview and subject selection
- Assessment and examination structure
- Study expectations and academic support
- Interactive Q&A
