GRADE: 1
WEEK: 11

THIS WEEK AT NVS

English: This week, we explored an animal-themed story, practiced our comprehension skills by answering questions about it, and spent time preparing for our upcoming project!

Mathematics: Measure Length

Science: Grade 1 students explored natural and man-made materials, identifying everyday examples and discovering how natural resources are used to make things we use daily.

Arabic: The letter Raa (ر) was studied, and students completed comprehensive enrichment activities covering all the letters in class. The activities were glued into their Arabic notebooks.
