Weekly NewsLetter

Grade - 5

Week - 11

THIS WEEK AT NVS

❖ English:

Grade 5 students enthusiastically participated in the Spelling Bee competition, demonstrating impressive vocabulary and strong spelling skills. They showcased their linguistic confidence, word knowledge, and excellent command of English.

❖ Mathematics:

*Grade 5 students explored the **addition and subtraction of integer numbers** through engaging activities and discussions. The session encouraged them to develop accuracy in calculations, strengthen their understanding of positive and negative numbers, apply problem-solving and critical thinking skills, and recognize how integer operations are used in everyday situations such as temperature changes, financial transactions, and real-life decision-making.*

❖ Science:

Grade 5 students explored chemical reactions through an engaging video presentation. Student leaders confidently explained the reactions, helping their classmates understand the signs of chemical changes through visual examples and peer learning.

★ STAR OF THE WEEK
