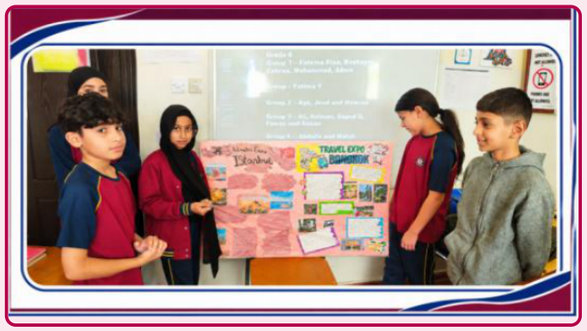
GRADE 6

WEEK 11

THIS WEEK AT NVS

ENGLISH



Grade 6 students enthusiastically presented their Travel Expo projects, showcasing creativity and impressive presentation skills. They incorporated rich vocabulary and persuasive language to describe destinations, attractions, and unique travel experiences.

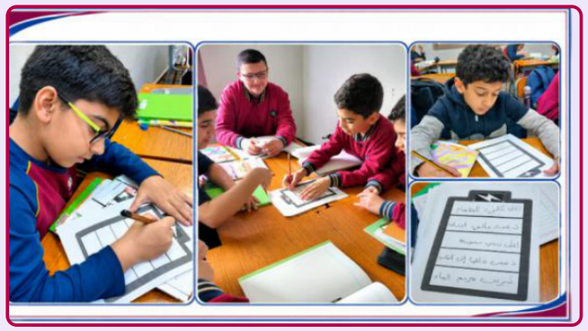
MATHEMATICS

Grade 6 students Fatema Alaa and Zahraa Ali proudly participated in New Vision School's Mathematics Symposium, "Math Around Us." Through their engaging presentation, they explored the connections between mathematics and everyday life, showcasing their creativity, confidence, and critical thinking skills.

SCIENCE

Grade 6 students explored the fascinating world of chemistry by identifying atoms, elements, and compounds. Through engaging group activities, they developed their skills in interpreting and naming chemical formulae. This interactive learning experience strengthened their scientific understanding, teamwork, and confidence!

ARABIC



Grade 6 students actively participated in an engaging Arabic lesson using the Battery Strategy. They enthusiastically completed cards with nominal and verbal sentences related to Verb Forms and the Subject. This interactive activity strengthened their grammar skills, teamwork, and confidence in sentence construction.
