GRADE 9 NEWSLETTER

NEW VISION SCHOOL

Learning | Collaboration | Achievement

THIS WEEK AT NVS

Grade 9 students explored business and economic news, demonstrated Newton's Laws of Motion, and strengthened their vocabulary for the Spelling Bee. They also participated in the INJAZ Finance Park Programme, while New Vision School hosted an IGCSE Parent and Student Orientation.

CURRICULUM HIGHLIGHTS

ECONOMICS / BUSINESS

Newspaper Detective: Find, Analyse and Present.

PHYSICS

Newton's Three Laws of Motion in daily life.

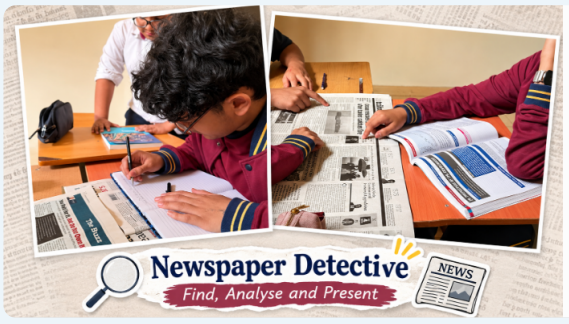

ENGLISH

Vocabulary enrichment for the Spelling Bee.

LEARNING IN ACTION - SUBJECT ACTIVITIES

ECONOMICS / BUSINESS STUDIES

Newspaper Detective - Find, Analyse and Present. Students identified economic and business issues in newspaper articles, analysed their causes and effects, and presented findings to classmates.

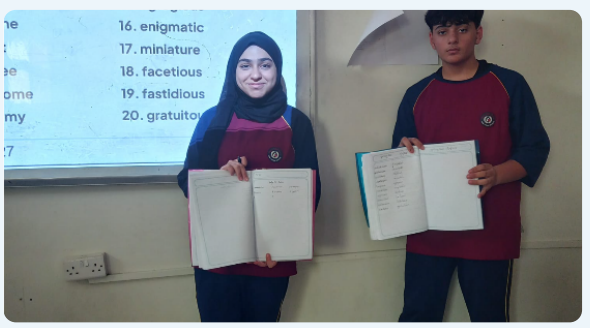

PHYSICS

Newton's Laws of Motion in Daily Life. Students collaborated on visual presentations with definitions, everyday examples and illustrations, developing creativity and communication.

ENGLISH

Spelling Bee Preparation. Students took part in a vocabulary enrichment session to prepare for the upcoming Spelling Bee competition.

INJAZ FINANCE PARK PROGRAMME

FINANCIAL LITERACY IN ACTION - GRADE 9

Grade 9 students actively participated in the **INJAZ Finance Park Programme**, conducted by Ms. Maryam Muneer, Mr. Kamel Mansour and Mr. Ali Salahuddin. The interactive session introduced budgeting, saving, spending and responsible financial decision-making. Through real-life scenarios, students explored how to manage money wisely and plan for their financial future.

IGCSE PARENT AND STUDENT ORIENTATION

New Vision School conducted an IGCSE Parent and Student Orientation Programme on Wednesday, 4 November 2026, for Grades 9-12, covering curriculum structure, subject selection, examination requirements, academic expectations and pathways to future success.
