

WEEKLY NEWSLETTER

GRADE 11 - WEEK 5

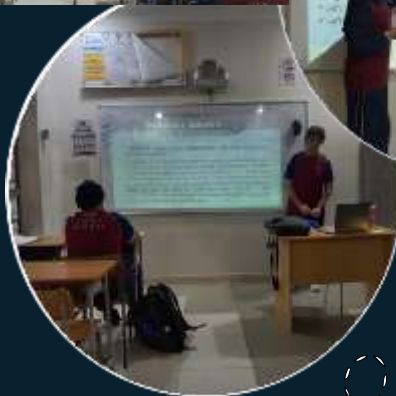

Prepared by: Mariam Rohail - Sara Ammar - Rayyan Waddah

THIS WEEK AT NVS

Grade 11 students developed key academic skills:

- **English:** Practiced reading comprehension & identifying key information from texts.
- **Biology:** Explored the structure and function of the heart using visual aids.
- **Chemistry:** Actively participated in the 'Yield of Reaction' lesson through discussions and problem-solving.

Skills Developed: Communication, Observation, Scientific Reasoning, Critical Thinking.

STUDENT ACHIEVEMENTS

Moh'd Ali — Led an engaging Chemistry lesson on reaction yield.

Zainab — Led an engaging Biology session on the structure and function of the heart.

Rayyan — Led an English Reading Enrichment session focused on reading comprehension and communication skills.

UPCOMING EVENTS & IMPORTANT DATES

Date: 4th Oct, 2026 onwards

Event: Grades 1-12 1st Mid-Term Examinations

Students need to prepare for the exams and revise class notes, key concepts, and previously completed work to prepare for the examinations.

ACTIVITIES & SCHOOL HIGHLIGHTS

Interactive sessions in English (text analysis), Biology (heart anatomy with visual aids), and Chemistry (Yield of Reaction) enhanced comprehension, critical thinking, and analytical skills.
