NEW VISION SCHOOL

WEEKLY NEWSLETTER

WEEK 10!

GRADE 10

A note from your representatives

Dalal and I aim to make our newsletter a space where everyone's achievements, creativity and hard work are recognised. We hope to keep everyone updated, share memorable moments and give students a chance to have their voices heard. We're excited to bring new ideas to the newsletter and make it something everyone looks forward to reading!

A week of achievements and new beginnings

This week, our Grade 10 students celebrated academic achievements, took part in creative classroom activities and warmly welcomed our new newsletter representatives.

Stars of the Week

ARABIC	10A Ahmed Taher Ahmed 10B Mostafa Ahmed Maher
MATHEMATICS	10B Mostafa Ahmed 10B Zainab Abdulla
ACCOUNTING	10A Hassan Adel
ENGLISH	10A Layan Husain Ali 10B Hasan Jassim
SCIENCE	10A Aysha Tareq 10B Elias Mahmood

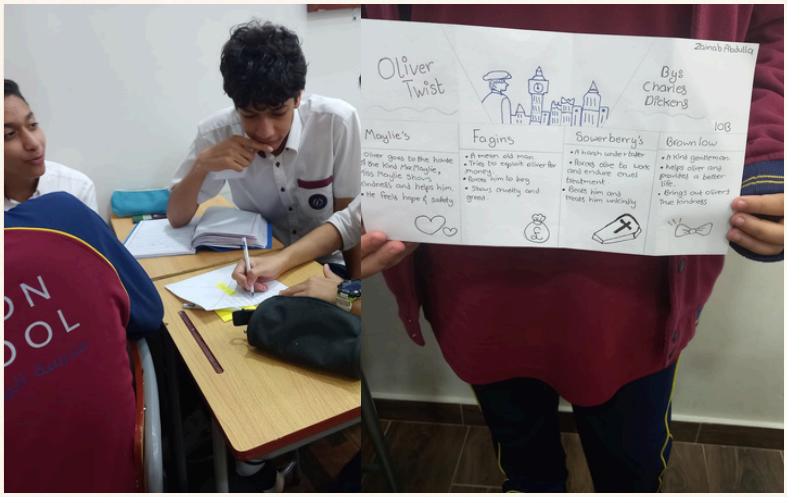
IGCSE Parent and Student Orientation

NVS successfully held the programme on Wednesday, 4 November 2026, for Grades 9–12. It covered the curriculum, subject selection, examination requirements, academic expectations and future pathways.

Inside Our Classrooms

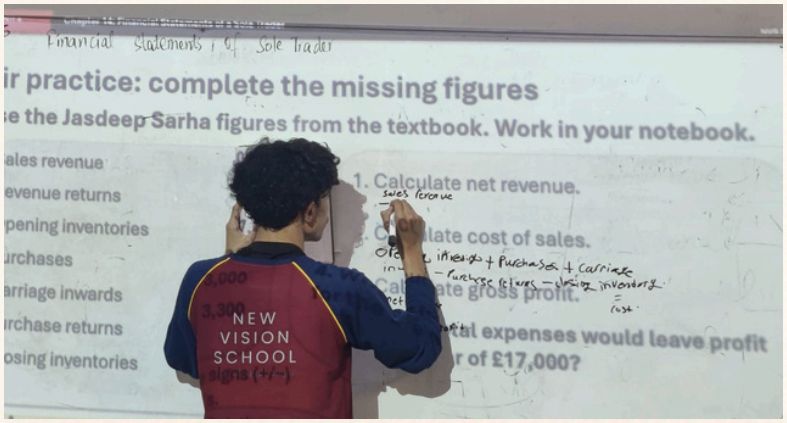
English — Oliver Twist Chapters 4–5

Students explored the chapters through a graphic design activity, creatively representing key events, characters and important moments using visual elements, illustrations and captions.



Accounting — ‘A Little Teacher!’

Hasan Adel took on the role of a little teacher, explaining the income statement during Accounting class.



Cybersecurity Exhibition 2026

On 2 November, NVS hosted its Cybersecurity Exhibition 2026 in the NVS Hall. Organised by the Computer Department and hosted by Grade 12 students, the event brought together students from Grades 8–12 to showcase creative projects, websites, applications and interactive cybersecurity games. With the theme “Think Smart. Stay Safe,” the exhibition encouraged students to explore technology, develop their digital awareness and learn how to stay safe online.
