Healthy Eating

The students enthusiastically brought a range of healthy foods to school. They selected nutritious options such as fresh fruits, nuts, and healthy snacks. The activity encouraged them to recognize the importance of making healthy food choices for their growth and overall well-being.

Student Recognition and Reward System

Over the month, In Science earned Golden Tickets for positive behavior, participation, academic progress, and task completion. Students who achieved 10 tickets received a reward for their consistent efforts.

STUDENTS ACHIEVEMENTS

Students made good progress across all subjects this week.

In **English**, students learned to identify and describe story elements in *Matilda*.

In **Mathematics**, students developed their understanding of time using both the **12-hour and 24-hour clocks**.

In **Science**, students learned about **seed germination and the different ways seeds are dispersed**.

In **Arabic**, students learned about **adverbs of place and time** and practiced using them correctly.

Overall, students participated actively and showed good understanding of the topics covered.
