STUDENT ACHIEVEMENTS

Congratulations to the **Cube Group** for winning the Grade 6 Mathematics Weekly Group Competition!

LEADERSHIP & PERSONAL DEVELOPMENT

Small Steps, Big Progress!

The Positive Behavior Chart was introduced by our Grade 5&6 Social Counselor, Miss Zahra Ahmed, to encourage students to make good choices, show respect, and develop important social skills. This initiative has already made a positive impact on students' behavior and performance this week, while promoting respect, responsibility, and teamwork for a brighter future!

My First Month at School: A Journey of Learning, Laughter & New Beginnings! — Fatema Alaa

My First month of school

My first month of school has flown by, with busy mornings packing by, new lessons, new friends, and things to explore. Each day I learn a little bit more.

Science brought questions that made me think, while school days were by in just a blink. I felt nervous, excited, and sometimes unsure, but now I'm ready for what's in store!
