STAR OF THE WEEK

English	Ali Maitham (3A) Hamda Aziz (3B)
Mathematics	Zainab Mohamed(3A) Malik Mohamed (3B)
Science	Ali Hussain (3A) Khatoon Hasan (3B)
Arabic	Dana Khalifa (3A) Aala Jameel (3B)

Importance of Reading

Reading is very important because it increases our knowledge and improves our vocabulary. It helps us develop good thinking and communication skills. Reading also keeps our minds active and improves our imagination. It is a good habit that helps us succeed in life.

STUDENTS ACHIEVEMENTS

Students showed good progress in all subjects. In Mathematics, they learned Tally and developed their counting and data-recording skills. In Science, they studied medicines and infectious diseases and gained a better understanding of how diseases spread and how medicines are used. In English, they practiced comprehension and learned how to understand and respond to questions based on a text. In Arabic, students practiced storytelling and comprehension, improving their ability to understand and express ideas. Overall, the students participated actively and demonstrated good understanding of the topics covered.
